AMENDMENT A

Dear Sir:

This Amendment is being filed in response to the Official Action mailed August 28, 2002.

Please amend the Application as follows:

IN THE SPECIFICATION:

Please replace the paragraph beginning at page 2, line 3, with the following rewritten paragraph:

--The inner tube 3 is fixed to the base 1, and is upright on the base 1. The base 1 closes one end of the inner tube 3. The inner tube 3 is inserted into the outer tube 2 in such a manner that the centerline of the outer tube 2 is coincident with the centerline of the inner tube 3. The outer tube 2 is also fixed to the base 1, and, accordingly, is upright on the base 1. Thus, the inner tube 3 and the outer tube 2 forms a double structure on the base 1.--

Please replace the paragraph beginning at page 2, line 14, with the following rewritten paragraph:

--The prior art reactor further comprises a boat holder 4, heaters 7a, 7b and 7c, a gas
